

Matthew's Moonlight

F O U N D A T I O N

We honor the legacy of Matthew Wzorek by supporting local families who have suffered the loss of a child or are fighting childhood illness.

Matthew

Some of the many ways we have helped families

- Sponsor retreats for grieving parents and families to heal and connect
- Directly paid expenses for individual families with a child fighting illness or the loss of a child in partnership with hospitals like Nemours (such as funeral; rent; utilities)
- Donate over 400 quality toys annually in honor of Matthew's birthday to children and families battling cancer

Our Story

We founded the Matthew's Moonlight Foundation in memory of Matthew David Wzorek, who passed away suddenly in February of 2020 at age 7.

Matthew had a big smile and kind personality. He would always lend a hand, talk to a stranger, and go out of his way to make the world a better place.

We work to fulfill Matthew's persistent kindness by doing what he would have done—bring light into the world.

our community events

- Golf Outing & Luncheon
- Youth Softball Tournament
- Cornhole Tournament
- Toy drive donation to Kisses to Kyle

"During the most unimaginable times they have taken away some of the financial burden that only intensifies with a critically ill child."

-Ali Novotny
